

GO PAPERLESS WITH PSSLive+

PSSLive+ is the complete tool for inspections, management and maintenance for all of the Sites and Assets you are responsible for.

Use PSSLive+ to manage your complete workflow, ensuring Findings are managed to a timely completion based on Risk and Urgency.

PSSLive+ is the smarter way to manage your duty of care. Use the web app for management and administration. Use the mobile app, available on iOS or Android, for onsite reporting of Inspections, Findings and Tasks at every stage of your workflow.

THE PLUS!

• Asset-specific-Findings linked to Finding-specific-Tasks

• Web app requiring no installation

• Improved performance and reduced loading times

• Modern look and feel

• Best practice navigation

• Centralised Configuration

• Consolidated User Management

• Easy to use Inspection and Task Scheduler

• Powerful Report Generator for all reporting requirements including Insurance and Freedom of Information Act requests

• Google Maps for plotting markers and areas with easy to use filtering

General Information

On the Mobile

From the Web App

- Maintain a detailed Asset Register of your Sites and Assets
- Offers a negative inspection reporting methodology which ensures only relevant data is captured
- Inspect against the Types, Schedules and Routes you use
- Configure the system to your needs for an efficient app that supports your workflow
- Manage Findings through to timely completion with Risk and Urgency Prioritised Tasks
- Works alongside your Risk management Policy

PEACE OF MIND GUARANTEED

ASSET-SPECIFIC-FINDINGS LINKED TO FINDING SPECIFIC TASKS

PSSLive+ uniquely includes Finding Groups based on BSEN Standards in addition to general Maintenance and Tree Groups developed in conjunction with users. These are crossed-mapped to applicable Assets ensuring only the relevant Findings and Tasks are available for selection.

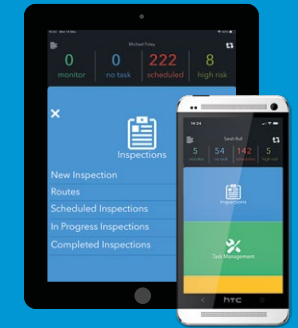

ALL THESE AND MORE ARE INCLUDED AND UPDATED FOR YOUR USE:

- ◆ **BSEN 1176**
Playground Equipment
- ◆ **BSEN 14974**
Skateparks
- ◆ **BSEN 15312**
Multi-sports Equipment
- ◆ **BSEN 16630**
Outdoor Fitness Equipment
- ◆ **BSEN 16899**
Parkour Equipment
